

## Moving Forward in the Work of Christ Hebrews 10:19-25

### How to move forward as a body of believers:

1. Let us be a church that continues to move \_\_\_\_\_ our \_\_\_\_\_ . (v 22, Jn 14:6, Titus 3:5)
2. Let us be a church that commits to the \_\_\_\_\_ of the \_\_\_\_\_ in our own lives and the lives of others. (v 23, Jn 6:66-69, 1 Thess 5:24)
3. Let us be a church that commits to the work of \_\_\_\_\_ in the body. (v 24, Titus 3:8-11)

### More Food for Thought

1. In our sermon this week we learned about the important role that the Holy Spirit plays to cleanse (sanctify) believers. Read Ephesians 5:25-26 and write down a key tool that God uses to do this.
2. At the end of His life Jesus made a bold declaration in John 19:30. What confidence does this give us that what Jesus did on our behalf is always enough?
3. What confidence does 1 John 1:9 give you so that you can continue to move forward for Jesus?
4. Write down at least 2-3 ways you see God using you to move the body of Christ forward in the days and years ahead. Spend time praying boldly for God to use you in such ways.
